About Wilmington, NC

Wilmington is a vibrant riverfront city and the most accessible coastal area in the state. The pedestrian-friendly Riverwalk winds along the Cape Fear River, connecting many of the city's shops, cafés, and nightlife with waterfront hotels, parks and the Port City Marina. Annual festivals, such as Riverfest, Wilmington Beer Week and the world-famous North Carolina Azalea Festival, attract crowds year-round. Three nearby island beaches offer even more dining, attractions and water sports.
