EVERYDAY

One summer.
Many ways to grow.

OPEN TO GRESOL & EXTERNAL FAMILIES

Campus hosted by GRESOL INTERNATIONAL AMERICAN SCHOOL and run by EDUCATIUM

A SUMMER TO LEARN, PLAY & SHINE

A complete English-speaking summer experience where children move, splash, create and discover through a balanced programme.

ENGLISH IS THE THREAD THAT CONNECTS EVERY ACTIVITY

A MULTI-ACTIVITY CAMPUS

ENGLISH IMMERSION

Language appears naturally in games, routines and workshops.

ACTIVE SUMMER

Sports and movement build confidence and teamwork.

CREATIVE MINDSET

Arts encourage expression, imagination and pride.

CURIOUS DISCOVERY

Science turns questions into hands-on learning.

ONE CAMPUS. FOUR WAYS TO GROW.

English connects a complete weekly rhythm of movement, water, creativity and discovery.

ENGLISH IMMERSION

SPORTS

Team games, circuits and active challenges.

WATER

Refreshing summer games and splash moments.

ARTS

Hands-on creativity, colour and expression.

SCIENCE

Experiments, questions and discovery-based learning.

DATES & WEEKLY ADVENTURES

Education

Pre-Camp plus three full weeks until July 17.

PRE-CAMP

JUNE 25–26

Welcome days, games and first English challenges.

WEEK 1

JUNE 29 – JULY 3

Sports, water games, art challenges and science discoveries.

WEEK 2

JULY 6–10

New missions, creative workshops and active outdoor fun.

WEEK 3

JULY 13–17

Final adventures, group projects and celebration moments.

FULL EXPERIENCE · 9:00–15:00 · LUNCH INCLUDED

A welcoming camp open to Gresol families and external families, with groups organised according to age.

The Gresol spirit, shared with new friends.

A DAY AT CAMP

A balanced rhythm in English: movement, creativity, science, water games, lunch and a positive closing moment.

AGE GROUPS

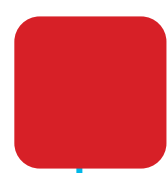

Groups according to age, helping every child feel comfortable and engaged.

GRESSIE MOMENTS

Special appearances add identity and memorable moments.

9:00

Arrival & Morning Welcome

Groups meet and start the day in English.

9:15

Activity Block 1

Sports, movement games or outdoor challenges.

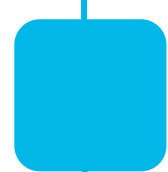

10:30

Fresh Break

Hydrate, recharge and enjoy time with friends.

11:00

Arts or Science Lab

Creative projects or hands-on experiments.

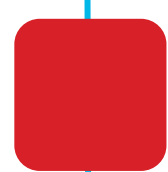

12:15

Water Games

Refreshing summer challenges and playful teamwork.

13:15

Lunch Included

Catering lunch is part of the camp experience.

15:00

Closing Activity

Group games, recap and selected Gressie moments.

Timeline designed to keep children engaged and confident throughout the full 9:00–15:00 day.

From 8:30 to 9:00
Early Morning
Childcare Service*

SPORTS & WATER GAMES

Move, splash, laugh and grow together.

TEAM SPORTS

Cooperative games and group challenges.

WATER PLAY

Relays and refreshing outdoor fun.

Children develop coordination, confidence and teamwork through dynamic games adapted to their age. Water moments bring the freshness and excitement that make summer memorable.

CREATIVE ARTS LAB

A space to imagine, create and shine.

Creativity becomes visible when children test colours, textures and ideas with their own hands.

PAINTING & COLOUR

Imagination and visual expression.

CRAFTS & TEXTURES

Patience, precision and creativity.

GROUP PROJECTS

Collaboration and shared success.

SUMMER CREATIONS

Art related to nature and camping.

A MULTI-ACTIVITY CAMPUS

Instead of repeating the same activity every day, the programme combines movement, water, creativity and discovery. This variety keeps children motivated while strengthening language, confidence and social skills.

SCIENCE EXPLORERS

Big questions, fun experiments and curious minds.

Science becomes exciting when children can touch, test, observe and ask questions. The camp introduces simple scientific thinking through challenges that feel playful and accessible.

- **ASK**
- **TEST**
- **DISCOVER**

HANDS-ON DISCOVERY

EXPERIMENTS

Hands-on activities that make science visible.

NATURE & EARTH

Activities connected to the environment.

OBSERVATION

Children compare, explain and build confidence.

PRICES

Happiness is priceless, just like spending a summer camp surrounded by nature in an international setting.
