About Bravehearts

Bravehearts is an Australian child protection organisation solely dedicated to preventing and treating child sexual abuse.

Founded in 1997, Bravehearts delivers personal safety education for children and young people, specialist counselling and support for those affected by child sexual abuse, as well as online child protection training, research and advocacy, all working toward a world where people, communities and systems unite to protect children.

Every dollar raised through the Bravehearts Charity Golf Day goes directly toward these vital services, ensuring more children can access the support they need.

The Event

The Bravehearts Charity Golf Day, hosted by MLEA, is a day of friendly competition, good company and real community impact.

Every dollar raised goes directly to Bravehearts, funding vital counselling, prevention education and support services for children and families across Queensland.

Whether you're bringing a team, backing the day as a sponsor, or simply showing up for a cause worth supporting, there's a place for you on the course. Sponsorship packages range from \$1,000 to \$5,000, with inclusions spanning tee activations, branded merchandise, course signage, ceremony recognition and social media acknowledgement.
