\* Number of children enrolled in this site as of March  
 \*\* Additional children not included in enrollment number for whom immunizations are not required to be reported because their records are tracked by another site or attend fewer than 5 days per year  
 \*\*\* Additional children not included in enrollment number 18 months and under for whom immunizations are not required to be reported because of their age  
 \*\*\*\* Percent of children with no immunization or exemption record

The chart shows both the vaccination and nonmedical exemption rates (NME) for each vaccine. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.
