IdoWallet is Set to Integrate with Other Blockchains as Public Sale Goes Live

February 16, 2022 / News, Press-Release

[Follow us on Google News](#)

Idowall team are delighted to announce a tremendous update on [IdoWallet](#), a Cardano based wallet that has successfully tested on Cardano API. IdoWallet will enable users to buy/trade Cardano tokens and other cryptocurrencies.

This is the last opportunity where you can buy WALL tokens before listing on exchanges next month.
