

# List of accepted ID documents

N26

for customers living in other supported countries

Date: Mai 2026

Please note that not all document versions are accepted.

As a fully-licensed and regulated bank, N26 must adhere to strict industry standards and guidelines when it comes to the verification of all potential customers. These vary by nationality, which is why we are only able to conduct the important step of identity verification with the supported documents outlined below.

\*Please note that Residence Permits are only available as a verification document for select nationalities. These must also be issued in one of the supported countries (where N26 offers an account) to European specifications, and valid for a minimum duration of at least ONE year.

\*\* Video Verification only
