

Expo Hall 2

Expo Hall 2 is located directly behind the Freeman Coliseum, separate from the other three Expo Halls. Because of its far proximity to our other Expo Halls, clients get a more exclusive feel when hosting events in this space. Like our other Expo Halls, this space is climate controlled with concrete floors.

As a safety measure to combat COVID-19, we have added UVC lighting in the HVAC system to kill any mold, germs, or contaminants in the air.
