About IRAJ International, UAE

- IRAJ International is an advanced global organization for the Researchers & Scholars "To promote the Progress of Science, Technology and Management" by displaying their knowledge in the vicinity of Science Technology and Management for the service of mankind and the advancement of the general welfare.

- We have been standing tall in the field of Research & Technology since 2013, our objective is to provide a platform which will promote, encourage and support Scholars, Researchers & Professionals to carry and accomplish their research work.

- IRAJ International International connects Global innovators, Scientists, Engineers, Doctors, Management professionals, industry practitioners by conducting and sponsoring technical meetings, conferences, symposia, and exhibitions globally.

Our Objectives

- To provide a world-class platform to researchers to share their research findings by organizing International/National Conferences.
- To use the research output of the conference in the classroom for the benefit of the students.
- To encourage researchers to identify significant research issues in identified areas, in the field of Science, Engineering, Technology, and Management.
- To help disseminate their work through publications in a journal or in the form of conference proceedings or books.
- To help them get feedback on their research work for improving the same and making them more relevant and meaningful through collective efforts.
- To encourage regional and international communication and collaboration; promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations; and encourage scholar researchers to pursue studies and careers in circuit branches and their applications.

Why choose IRAJ International?

Global recognition in research and academia

IRAJ International has established itself as a globally recognized organization in research and academia through its various initiatives. It is known for organizing Continuing Professional Development (CPD) accreditation events, which provide structured learning opportunities for professionals, academicians, and researchers. These events include conferences, workshops, seminars, and training programs, ensuring high-quality learning experiences and global networking opportunities.

A strong network of industry experts and scholars

IRAJ International has built a strong network of industry experts and scholars through its global conferences, research collaborations, and academic partnerships. The organization connects scientists, engineers, doctors, management professionals, and industry practitioners by conducting and sponsoring technical meetings, symposia, and exhibitions worldwide.

Commitment to high standards in publishing

At IRAJ International, we uphold a rigorous commitment to high standards in publishing, ensuring that every research paper meets global academic excellence. Our peer-reviewed journals follow strict ethical guidelines, maintaining integrity, originality, and scholarly impact.IRAJ International continues to be a trusted platform for researchers, scholars, and professionals, fostering innovation and knowledge dissemination.

Global platform that nurtures young researchers and professionals

IRAJ International is a leading global platform dedicated to fostering the growth of young researchers and professionals across diverse fields. With a commitment to academic excellence and innovation, IRAJ provides structured opportunities for emerging scholars to showcase their research, collaborate with experts, and gain international recognition. IRAJ International continues to empower the next generation of researchers, providing them with the resources, recognition, and global exposure needed to excel in their fields.

Global University and Industry Collaborations

IRAJ International is committed to fostering strong collaborations between leading universities and industries worldwide, bridging the gap between academic research and practical applications. Through strategic partnerships, IRAJ facilitates knowledge exchange, innovation, and professional development, ensuring impactful contributions to science, technology, and management.

IRAJ International Journals and Publications

IRAJ International Journals is a renowned platform dedicated to promoting and disseminating high-quality research across various fields of Science, Engineering, Technology, Management and Healthcare. With a commitment to academic excellence and innovation, we provide a global platform for researchers, scholars, and professionals to share their findings and contribute to the advancement of knowledge.

IRAJ INTERNATIONAL JOURNALS RECENTLY COMPLETED 13 YEARS OF PUBLICATION AND ACHIEVED A NEW HIGH IN THE FIELD OF ACADEMIC AND SCIENTIFIC RESEARCH PUBLICATION.

10+ International Journals

75000+ Research papers published in Journals

1000+ Reviewers and Editorial board members

500+ Associated Scopus, Wos, SSCI, EI, Google Scholar Indexed Journals

100+ Books and Special issue published

Journals Indexed in top Indexing agencies

Scopus · Clarivate Web of Science™ · Crossref · doi · Google Scholar · PubMed® · DOAJ · ABDC · Journal Factor · Compendex

Core Elements of a Co-Publishing Agreement

IRAJ International Journals Publishing, a leading academic and scientific journal publisher, proudly inviting partners with esteemed universities and organizations to co-own and publish high-impact journals across diverse disciplines. These collaborations foster innovation, uphold global publishing standards, and amplify the reach of scholarly work.

Advantages for Partner Institutions

Editorial Independence

- The university/institution retains editorial control, while IRAJ International provides publishing infrastructure and support.

Content Hosting & Distribution

- Journals are hosted on IRAJ platforms, ensuring global reach and discoverability.

Production & Technical Support

- IRAJ offers state-of-the-art production services, plagiarism checks, and manuscript management systems like Editorial Manager.

Indexing & Abstracting

- Support for inclusion in major databases such as Google Scholar and Scopus, enhancing journal visibility and citation impact.

Marketing & Promotion

- International campaigns to boost submissions and readership, leveraging IRAJ's global network.

Revenue Sharing

- A competitive revenue model is often included, with shared income from subscriptions, APCs (Article Processing Charges), or other monetization streams.

Ethical Standards & Compliance

- Adherence to publishing ethics, peer-review integrity, and best practices is mandatory.

Strategic Benefits for Universities/Institutions

- Enhanced global visibility and reputation
- Access to IRAJ analytics and performance tools
- Increased submissions from international authors
- Opportunities for faculty development and editorial training
